

General Info: International e-Conference on Bioengineering for Health and Environment (ICBHE 2020)

Organized by

Department of Biotechnology, School of Bio & Chemical Engineering, Centre for International Relations, Sathyabama Institute of Science & Technology, India

School of Bioscience, Faculty of Medicine, Bioscience and Nursing, MAHSA University, Malaysia.

* Correspondence: antonysamrot@gmail.com; raji.naomi10@gmail.com

Conference highlights

Biotechnology <ul style="list-style-type: none">❑ Plant Biotechnology❑ Stem Cells & Cancer Research❑ Advances in Clinical Biochemistry❑ Biopharmaceuticals❑ Nanobiotechnology❑ Industrial Microbiology❑ Drug Delivery❑ Animal Biotechnology❑ Environmental Biotechnology❑ Industrial Microbiology & Biotechnology	Bioinformatics <ul style="list-style-type: none">❑ New Generation Bioinformatics❑ Big DATA Analysis❑ Structural Bioinformatics❑ Bioinformatics & Proteomics❑ Bioinformatics & Genomics❑ Bioinformatics Algorithms & Databases❑ Bioinformatics in Clinical Case Reports❑ Bioinformatics in Drug Discovery❑ System Biology
Chemical Engineering <ul style="list-style-type: none">❑ Biochemical Engineering for Environment❑ Biofuels❑ Modeling of Environmental Processes❑ Waste water treatment	Biomedical Engineering <ul style="list-style-type: none">❑ Biomaterials❑ Recent Advances in Biomedical Engineering❑ Biomedical Instrumentation

Keynote speakers

Dr. Kai-Yin Lo, Associate Professor
Department of Agricultural Chemistry,
National Taiwan University, 1 Sec. 4,
Roosevelt Road, Taipei 10617, Taiwan.

Dr. Suresh Kumar, Associate Professor
Department of Medical Microbiology and
Parasitology University Putra Malaysia,
Jalan University, Serdang, 43400 Seri
Kembangan, Selangor, Malaysia.

Dr. Sivaraman Natarajan, Staff Scientist,
St. Jude Children's Research Hospital
Memphis, TN 38105.

Dr. Sameera Sastry Panchangam,
Post Doctoral Fellow,
Southern Methodist University, Dallas,
Texas, USA.

Patrons

Dr. Mariazeena Johnson, Chancellor, Sathyabama

Dr. Marie Johnson, President, Sathyabama

Prof. Tan Sri Datuk Dr. HJ Mohamed Haniffa bin HJ Abdullah, Pro-Chancellor & Executive Chairman, MAHSA

Dato' Dr. Shahril bin Prof. Tan Sri Datuk Dr. Haji Mohamed Haniffa, MAHSA

Dato' Sharon bin Prof. Tan Sri Datuk Dr. Haji Mohamad Haniffa, MAHSA

Advisors

Dr. T. Sasipraba, Vice Chancellor, Sathyabama

Prof. Dato' Dr. Ishak bin Abdul Razak, Vice Chancellor, MAHSA

Dr. Wilson Aruni, Pro-Vice Chancellor, Sathyabama

Dr.E. Logashanmugam, Pro-Vice Chancellor, Sathyabama

Dr. S. S. Rau, Registrar, Sathyabama

Dr. Ganesh Ramachandran, Dean, FOMBN, MAHSA

Organizing secretaries

Dr. T. Sasipraba, Vice Chancellor, Sathyabama

Dr. Wilson Aruni, Pro-Vice Chancellor, Sathyabama

Dr. Paulraj Ponnaiah, Deputy Dean, MAHSA

Dr. Antony V Samrot, MAHSA

Convenors

Dr. Ramesh Kumar V, Head, Biotechnology

Mr. Narendrakumar G, Head, Biotechnology

Ms. Raji P, Assistant Professor, Sathyabama

Ms. Ketharin A/P Tunasamy, Head, School of Bioscience, MAHSA
